

Chris Humphries, Ph.D.

Research Scientist, Biodiversity and Conservation Project

Natural History Museum, London

Born in 1947 in Derby; passed away in 2009 in London.

FOCUS

PROJECT

TUESDAY COLLOQUIUM, 03.05.1994

The Loss of Legacy: Colonialism and Extinction

PUBLICATIONS FROM THE FELLOWS' LIBRARY

Humphries, Chris (Oxford [u.a.], 1999)

Cladistic biogeography : interpreting patterns of plant and animal distributions

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=1147294208>

Oxford biogeography series ; 12

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=1147294208>

Humphries, Chris (Malden, Mass. [u.a.], 1996)

A comparison of richness hotspots, rarity hotspots, and complementary areas for conserving diversity of British birds

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=1683684826>

Humphries, Chris (Palo Alto, Calif., 1995)

Measuring biodiversity value for conservation

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=1683677951>

Humphries, Chris (Stuttgart, 1990)

Der Kosmos-Baumführer : über 400 europäische Bäume in Farbe

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=025238345>

The Hamlyn guide to trees of Britain and Europe <dt.>

<https://kxp.k1oplus.de/DB=9.663/PPNSET?PPN=025238345>
