

Nigel R. Franks, Ph.D.

Senior Lecturer der Ethologie und Soziologie

Universität Bath

SCHWERPUNKT

ARBEITSVORHABEN

Kollektive Intelligenz: Selbstorganisierende Superorganismus-Systeme

DIENSTAGSKOLLOQUIUM, 16.11.1993

Self-Organization and Sociobiology

Franks, Nigel R. (2009)

The dawn of a golden age in mathematical insect sociobiology

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=870758969>

Franks, Nigel R. (Amsterdam [u.a.],1996)

Book review : Social evolution in ants, by Andrew F.G. Bourke, & Nigel R. Franks. - Princeton: Princeton University Press, 1995

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=1027884989>

Franks, Nigel R. (London,1996)

Army ant population dynamics : the effects of habitat quality and reserve size on population size and time to extinction

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=84142201X>

Franks, Nigel R. (Dordrecht [u.s.]Springer Science + Business Media B.V.,1995)

Collective control without explicit coding : the case of communal nest excavation

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=1687019177>

Franks, Nigel R. (Amsterdam [u.a.],1995)

Spatial relationships within nests of the ant *Leptothorax unifasciatus* (Latr.) and their implications for the division of labour

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=867803746>

Franks, Nigel R. (Amsterdam [u.a.],1995)

Demonstrating new social interactions in ant colonies through randomization tests : seperating seeing from believing

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=867803347>

Franks, Nigel R. (Berlin,1995)

Division of labour in a crisis : task allocation during colony emigration in the ant *Leptothorax unifasciatus* (Latr.)

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=841421595>

Franks, Nigel R. (1995)

Collective intelligence and limited rationality in the organization of ant colonies and human societies

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=670690120>

Franks, Nigel R. (1995)

Building biological superstructures : models of self-organization

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=670690090>

Franks, Nigel R. (Princeton, NJ,1995)

Social evolution in ants

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=183039068>

Monographs in behavior and ecology

<https://kxp.k10plus.de/DB=9.663/PPNSET?PPN=183039068>
